  6. How can Associate Members promote GA activities?
  7. Can you/would you promote Associate Membership in your church, chapel, meeting or society?

THANK YOU

## LETTER WITH QUESTIONNAIRE

Dear Associate Member

Please help us. We think Associate Membership could do with an update and perhaps the GA could do with a bit more support. A number of the Unitarians attending the General Assembly Meetings 2011 at Swansea will already be Associate Members where we hope you will give us your ideas.

The majority of Associate Members will not, of course, be attending the Meetings but it's important to get the ideas and thoughts of as many of you as possible.

So Carol Chilton and I have prepared the enclosed questionnaire. We are asking you, whether or not you are attending the Meetings, to complete and return the questionnaire by Monday 4<sup>th</sup> April 2011 at the latest.

We have made the questionnaire as simple as we can. Your answers will give us a much better understanding of what Associate Membership means to you and what you want from the Associate Membership. For instance, it would be helpful to find out how many people would like to know more about GA activities in order to promote them in their local churches, chapels, meetings and societies.

Carol and I will look at the answers, no names required. We will discuss your answers with the Associate Members at our Reception on Sunday 17 April. They can do some work while drinking their wine and juice! After the GA we will send out the results and ideas arising from the questionnaire and discussion.

Please return the completed questionnaire to me at Essex Hall, 1-6 Essex Street, London, WC2R 3HY, or via the Associate Member webpage and send to [rruston@unitarian.org.uk](mailto:rruston@unitarian.org.uk).

Thanking you in anticipation

Yours sincerely

Rosemary Ruston  
Secretary to Associate Members.
