

Consistent Identity: application for funding – updates to notice boards

In order to support congregations in applying the consistent identity locally the GA invites applications for small grants, up to £250, to update notice boards. Grants will be paid on completion of the work and on presentation of a receipted invoice or similar, together with an image of the notice board.

Congregation/contact details

Name and location of congregation:

Name of person submitting application:

Position (ie role in church):

Address for correspondence:
