## **Conflict Resolution training**

Invitation to participate in Conflict Resolution Training which will take place in February 2012.

The Local Leadership Strategy Group (LLSG) has commissioned a seminar on Conflict Resolution which will be led by Colin Patterson of the Mennonite Bridge Builders' Ministries. Colin led a similar workshop for Ministers at the Ministerial Fellowship Conference in September and the reports of it were excellent! At the Facilitation & Support training held last February, an urgent need for this type of training for Congregational Leaders was identified and it makes absolute sense for us to take it from the same leader as the Ministers so we share a common understanding with those Ministers who attended the UMF Conference.

The seminar will be from early afternoon (arrivals and checking in ready to start promptly at 15.00) on Tuesday 28th February until after lunch on Thursday 1st March and it will be held at The Nightingale Centre in Great Hucklow. There will be a maximum of 24 participants. The LLSG will pay the fees for the leader so there will only be accommodation (approx. £114.50) and travel costs to be met by participants and we hope that congregations or Districts will help with these costs. There might be some money available for small bursaries to enable participants who would not otherwise be able to attend to do so. We are very lucky that we have been able to arrange this training and fund the fees. To participate in a similar 'public' programme would be in the region of £900 per person plus travel and our February programme will be customised to our particular needs as Unitarian communities.

This is an early request for 'expressions of interest.' If you would like to participate, please let me know and I will send further information and booking form shortly.

Kind regards

*Dot*
