Discounts for Younger Adults (Aged 17-39)

This year we've made it simpler with a flat 90% discount!

To work out the cost of attendance, please use the following process:

1. Circle the conference fee and daily charge for each conference day you will be attending.
2. Circle your selections for Dinner & BB if you are attending as a residential attender.
3. Add up all items for each day in the total column, then add the daily totals to get a subtotal.
4. If there is a room share discount, subtract this at this point to get a new subtotal.
5. Calculate the appropriate youth discount, complete the information below and enter the discount in the box provided on the front of the booking form.
6. Subtract the subtotal by the discount.
7. Add in a late booking fee if after the date.
8. Enter the total in the box provided.
