Christian Aid Week 15-21 May 2022

Every Christian Aid Week, people across Britain and Ireland step out in love for our global neighbours. It's a joyful celebration of our determination to change the world, through our gifts, prayers, and actions.

Now, for the first time in a generation, global poverty is rising. Covid-19, conflict, and the climate crisis are pushing more of our global neighbours into a struggle for survival.

Women and men in Zimbabwe are hungry to provide a more hopeful future. Mums often skip meals to share with their children what little food they have.

One of these mums is Jessica Mwedzi. Drought makes every day a struggle for survival. Jessica is hungry. Hungry for a good meal. Hungry to earn a decent living. Hungry to provide a more hopeful future for her family.

'My children crave a good meal, but I can't provide.'
Jessica says. **'It pains me to send them to bed hungry.'**

This Christian Aid Week, you can be one of the hundreds of thousands of churches stepping out in love for our global neighbours. With you by our side, we won't stop until everyone can live a full life, free from poverty and hunger.

From envelope collections to walking 300,000 steps in May, Christian Aid Week brings people together as one community helping those living in poverty to transform their own lives.

With a church collection you could help Jessica grow drought-resistant crops. You could help her set up a water tap on her farm and learn how to grow food in the harsh climate. She'll turn her dry, dusty land into a garden of hope.

Together, we can turn hunger into hope.

It's easy to get involved and Christian Aid can provide everything you need including resources to support your prayerful journey and to help you raise voices for justice by joining our loss and damage campaign.
